STUDENT COUNCIL 2024 - 25

We are happy to announce that Jain Heritage School conducted the elections for the Students' Council on 7th of July 2024. The election was held in the form of E-Voting for the first time in the school and it was a major success. The objective of appointing the Student' Council is to provide a platform to the students to develop leadership qualities by organizing and carrying out school activities. In addition to planning events that contribute to school spirit, the Student' Council is the voice of the student body. They help share student ideas, interests and concerns with the school wide community.
